

Be a Lifelong Learner!

OLLI at GSC Fall 2022 Term Starts August 22nd!

The [Osher Lifelong Learning Institute at Granite State College](#) (OLLI at GSC) is a member-driven, volunteer-based educational program for older adults. Course offerings, with no prerequisites and/or tests, focus on a broad array of subject matter, including arts and humanities, history, science and technology, social sciences, personal enrichment, and outdoor activities. OLLI courses are non-credit, and there are no tests or grades – our members learn just for the fun of it.

On August 22nd, our Fall 2022 term begins. With more than 170 courses offered in-person, in the community, or online via Zoom, OLLI at GSC offers something for everyone! Our in-person and community-based courses are offered in four learning regions across the state of New Hampshire and are open to all OLLI members.

Courses this term include *Beyond the Road: The Franco-American Identity of Jack Kerouac*, Wallace Stegner's *Crossing to Safety*, *A Mathematician Takes On Wordle*, *Democracy in Action*, and *Great Bay National Wildlife Refuge Walk*. For a complete list of courses, please see either of the two indexes in our course catalog.

As you prepare your next library's newsletter, we would welcome you sharing this information and the course catalog link below with your patrons.
