

“NATURE’S BEST HOPE” A NEW APPROACH TO CONSERVATION THAT STARTS IN YOUR YARD

The Exeter Area Garden Club joins with the Exeter Public Library, and the Cary Institute of Ecosystem Studies in presenting Doug Tallamy’s video based on his N.Y. Times best selling book.

Doug is currently a professor in the Department of Entomology and Wildlife Ecology at the University of Delaware and the founder of the “Home Grown National Park”.

**Join members of the garden club on:
SATURDAY, February 15th
AT 10:00AM
IN THE MEETING ROOM**

We will watch the video which tells how each of us can make small changes in our own backyard which will benefit the wildlife that lives amongst us while also bettering the environment of our town and beyond.

The garden club members will also share information about their 2025 Mini Grant Program.
