Adult Library Card Policy

The Exeter Public Library provides adult library cards to support equitable access to information, lifelong learning, and community engagement. This policy outlines the eligibility requirements, documentation standards, and responsibilities associated with obtaining and maintaining an adult library card.

Eligibility

Any patron 18 years of age or older is considered an adult at the Exeter Public Library and is eligible for an adult library card. Adult cardholders assume full responsibility for all materials borrowed on their account and for compliance with all Library policies.

Patrons under age 18 should refer to the Minor Library Card Policy, which outlines eligibility, required permissions, and responsibilities for youth cardholders.

Application Process

Adult applicants are encouraged to apply for a library card in person at the Adult Information Desk. Applicants must:

- *Provide the required documentation listed in this policy.
- *Complete and sign the adult library card registration form.

Library staff will assist applicants as needed.

Applicants may also begin the registration process online. However, each applicant must still visit the Adult Information Desk to sign the registration form, present required documentation, and receive their physical library card.

Renewals

Library card renewals must be completed in person at the Adult Information Desk during regular business hours.

All Exeter Public Library cards are valid for one year (365 days) from the date of issue. Cards must be renewed annually. Library cards will not be renewed until the account is cleared of all overdue items and outstanding fines.

Lost Cards

Patrons should report lost library cards immediately. Cardholders are responsible for all materials borrowed on their card until the date the loss is reported. If the card is not recovered within one month, a replacement card will be issued for a \$2.00 fee.

Exeter Public Library staff respect and protect the privacy of all library users. Library card records are confidential under NH RSA 201-D:11 (Library User Records; Confidentiality) and are further supported by the American Library Association's Bill of Rights, Article VII, which affirms every patron's right to privacy in their library use.

Library staff may not discuss, disclose, or distribute information about a patron's library use—including borrowing history, account activity, or personal information—to anyone other than the cardholder.

Disclosure for Minor Accounts

For patrons under the age of 18, limited disclosure is permitted only as allowed by RSA 201-D:11:

- Staff may share the list of items currently checked out on a minor's account with a parent or legal guardian who:
 - *Presents a valid photo ID that matches the address on the child's library account, **OR**
 - *Is listed in the library's records as the child's parent or legal guardian.

No other information about a minor's account—including past borrowing history, holds, fines, or account notes—may be

disclosed. Items reserved for a cardholder must be distributed only to the cardholder. If a cardholder wishes for others to pick up items for them, they must notify the library of the individual's name prior to the item being picked up. Age is not a limit to confidentiality. Any individual of any age and ability has a right to privacy at the library.

*201-D:11 Library User Records; Confidentiality.
