

UNDERSTANDING COLLEGE ADMISSIONS

WHAT MATTERS AND WHY

Join college coach Robin Durawa for an informative and encouraging conversation with a college counselor designed for high school students and their parents. This session will explore how to prepare for the college application process, what colleges look for in applicants, how grades, coursework, activities, essays, and recommendations work together, how to build a balanced college list, and how parents can best support their student.

Participants will have the opportunity to ask questions and leave feeling more confident and prepared for the road ahead.
